6. General Deals and Information

The club is open daily for load-in and soundcheck starting from 17:00 (Eastern European Summer Time zone in Romania (GMT+3)).
Parking is possible in front of the club in a paid and secured parking lot.
For night liners call us in advance and we will make arrangements.
The load-out is possible after the show and the stage must be cleared by 23:30 the same night.
On the site, we offer one colleague as stage hands for setting up, that has basic knowledge about the sound system and setup but is not a sound engineer.

7. Club rental and audio partnership
